RE: Appointment of Medical Director for Stanislaus County EMS Agency

Dear Stakeholders,

We are pleased to announce the appointment of Samantha Brown, MD as the new Medical Director for the Stanislaus County Emergency Medical Services Agency (SCEMSA).

Dr. Brown has served as the Assistant Medical Director for SCEMSA since 2023, where she has been instrumental in supporting medical oversight, protocol development, and system improvement initiatives. Her clinical insight and collaborative approach have significantly contributed to advancing the Agency's mission and strengthening partnerships across the EMS system.

Dr. Brown brings a strong background in Emergency Medicine and EMS leadership. She earned her Medical Degree from Eastern Virginia Medical School, followed by an Emergency Medicine Residency and an Emergency Medical Services (EMS) Fellowship at the University of California, Davis. Her fellowship included extensive field experience and collaboration with EMS agencies throughout the region, including Sacramento and Yolo Counties.

In addition to her work with SCEMSA, Dr. Brown is a dual board-certified physician in both EM and EMS who serves as an Assistant Clinical Professor of Emergency Medicine at UC Davis Medical Center along with her roles as the Associate Program Director for the EMS Fellowship and EMS Rotation Director. Since 2023, Dr. Brown has also served as a team physician for California Task Force 7 FEMA Urban Search and Rescue (USAR) team. Dr. Brown's experience, dedication, and vision make her exceptionally well-suited for this role. We are confident she will continue to provide strong medical oversight and help advance the quality, coordination, and effectiveness of EMS services throughout Stanislaus County.

Sincerely,

Chad R. Braner
Director, Stanislaus County EMS Agency

Cc: Erik Klevmyr
Fire Warden/ Director of Emergency Services
